

TEQUILA

| SILVER |

This is the Blue Agave spirit in its purest form. Stored in stainless steel tanks to settle for 1-2 months for a sweet, citrus, & peppery finish.

| REPOSADO |

Aged in wood barrels or storage tanks between 2-11 months.
For a smooth caramel, peppery, & vanilla finish.

| AÑEJO |

After aging for at least one year, Tequila can then be classified as an "Añejo". This aging process darkens the Tequila to an Amber color, and the flavor can become smoother, richer, & more complex.
